**Cassette™ 40 Flyscreen**

CASSETTE™ 40 FLYSCREEN

Rev. 1 - Mar. 2019

A product of

**WISPECO**  
Aluminium

The Crealco Cassette™ 40 flyscreen is a stylish modern looking retractable flyscreen that can be retro fitted to almost any window. Elegantly designed to keep out insects, yet still allowing fresh air through the opening. The silent operation of the flyscreen is perfect for retaining the exterior views but keeping insects outside where they belong.

## FEATURES

- Silent retractable flyscreen.
- Easy to maintain and keep mesh clean.
- Mesh is replaceable.
- Designed to fit most windows.
- Can be retro fitted into wooden and steel windows.

## FINISH

- Available in a variety of popular architectural powder coated colours and finishes.
- Available in a variety of anodised finishes on request.

## HARDWARE

- All hardware is high quality and locally available.

This brochure must be read in conjunction with the Installation, Cleaning & Maintenance Guidelines for the relevant system. The manuals must also be used in conjunction with the design and cutting lists from the latest version of Starfront.

## TYPICAL CONFIGURATIONS

The Crealco Cassette™ 40 flyscreen has a unique retractable mechanism to allow for a smooth & quiet operation of the flyscreen.
