This brochure must be read in conjunction with the Installation, Cleaning & Maintenance Guidelines for the relevant system.

The manuals must also be used in conjunction with the design and cutting lists from the latest version of StarFront.

ADJUSTABLE SHUTTERS

A product of
WISPECO
Aluminium

The Crealco Horizon adjustable shutters have been designed in South Africa, for the South African market. The Horizon with aluminium louvre blades is designed with completely adjustable louvres which offer exceptional control of exterior light. The system is easy to maintain and allows for a beautiful view of your outside environment, but in addition offers you the option of complete privacy.

The Crealco Horizon shutters can be configured to a sliding-folding or sliding-hinged system.

FEATURES

- Completely adjustable or fixed louvres.
- Designed for the South African market and climate.
- Weather resistant

GASKET & SEALS

- High quality, locally available gaskets and seals.
- Durable and affordable.

FINISH

- Available in both standard and non-standard powder coated colours (SABS approved).

HARDWARE

- Designed to accommodate standard local hardware.

TYPICAL CONFIGURATIONS

Designed with adjustable shutters that can be configured to a sliding, hinged or folding system.

Designed to be manufactured in conjunction with or without the Vistafold sliding folding door.

Offering exceptional control of exterior light and providing complete privacy, as well.

Aluminium louvre blades
